ABC-Arrow Coil™
LIFETIME LIMITED* TRANSFERABLE WARRANTY
Plus Fade Protection

ABC Seamless Siding, Log Siding, and Metal Soffit and Fascia (gutters are covered under a separate warranty) for the Duck-Matte™ Color Collection

ABC Seamless exclusive **Duck-Matte™ Color Collection** coated steel siding and accessories are warranted by Arrowhead Products through ABC, Inc.

ABC Seamless **Duck-Matte™ Color Collection** coated steel siding and accessories are warranted against failure due to rust, cracking, chipping, peeling or blistering as a direct result of defects occurring in the manufacturing process, under normal use and service subject to the terms and conditions contained in this Warranty.

Additionally, the siding, log siding, and metal soffit & fascia, after the removal of dirt and any foreign surface deposits, are warranted not to show a color change in excess of 5 Delta E Units as a result of normal weathering or ultraviolet exposure, for a period of thirty five (35) years from the date of installation.

Any claims for defects under this Warranty must be submitted by registered mail, in writing to ABC, Inc., Attn: Warranty Department, 3001 Fiechtner Dr., Fargo, North Dakota 58103, within the warranty period and promptly after discovery of the claimed defect, describing the defect claimed and referring to this certificate number and date of installation, together with the name of the franchisee and proof of purchase. A reasonable time should be allowed for inspection purposes. If after inspection Arrowhead Products determines that the claim is valid in accordance with the terms of the Warranty, Arrowhead Products agrees at its option to repair, refinish or replace only the defective siding panels, upon payment by the property owner of a one hundred (\$100) dollar service payment for each incident under this Warranty. The obligation of ABC Seamless/Arrowhead Products under this Warranty shall be performed only by persons designated and compensated by ABC Seamless/Arrowhead Products for that purpose and is subject to all other provisions of this Warranty.

The original warranty period shall not be extended by any such work performed, but the remaining warranty time period shall continue in effect and be applicable under the terms and conditions of this Warranty to the warranty work performed. A color variance may occur between any new replacement panel in comparison to the originally installed panels due to weathering exposure and would not be indicative of defective siding. ABC Seamless/Arrowhead Products reserves the right to discontinue or change any siding as manufactured. If the siding originally installed is not available and ABC Seamless/Arrowhead Products determines to replace the defective siding panels, ABC Seamless/Arrowhead Products shall have the right to substitute siding designated by ABC Seamless/Arrowhead Products to be of equal quality. ABC Seamless/Arrowhead Products may elect to refund the original purchase price for only the defective siding.

If the building is owned by a corporation, partnership, an unincorporated association, or by a governmental or public entity, including without limitation a church or school, the warranty period shall be fifty (50) years from the date of original installation.

ABC Seamless/Arrowhead Products does not warrant installation nor defects caused by installation. This Warranty only covers the specific manufacturing defects as specified herein. This Warranty does not cover any other damages or material failure including, but not limited to, normal weathering, mildew, oxidation, acts of God, fire, flood, windblown objects, accidental damage, falling objects, explosions, settlement, structural shrinkage or distortion of the property structure, surface deterioration due to air pollution, animal waste products, chemical pollutants, structural defects, negligent maintenance, normal fading, abuse, or corrosive influences. Normal weathering may cause any surface to oxidize, chalk, or accumulate surface dirt or stains due to varying exposures to sunlight, weather and atmospheric conditions. The geographic location, the quality of

the atmosphere and other local factors in the area, over which ABC Seamless/Arrowhead Products has no control, contribute to the severity of these conditions. This Warranty is valid only if genuine ABC-Arrow Coil™ Seamless Steel Siding is used, but shall be void if siding accessory products incompatible with the siding are installed which cause defects to occur in the siding. Only those products purchased through Arrowhead, and/or ABC, Inc., of Fargo, ND, will be covered by this Warranty. It is the responsibility of the original property owner to verify that the siding and accessories installed are approved products of ABC Seamless/Arrowhead Products. If soffit, fascia, siding coil, etc. are not purchased from the above mentioned, warranty will be null and void.

This warranty excludes damage to the products installed within two (2) miles of salt water.

This Warranty shall remain in effect only if normal cleaning practices are performed for maintenance of the siding. (See reverse side of this certificate for information.) This Warranty shall be null and void if harmful cleaning compounds are used.

*This limited warranty is transferable by the original property owner to subsequent owners of the property, provided ABC Seamless receives notices of transfer of ownership within thirty (30) days of sale, accompanied with a cashier's check or money order payable to ABC Seamless in the amount of three hundred (\$300) dollars for the transfer. Failure to notify ABC Seamless of the transfer within the thirty (30) day time period will relieve ABC Seamless/Arrowhead Products of any further obligation hereunder. In the event of transfer of the Warranty, the warranty period shall be for fifty (50) years from the original date of installation. First to fifth year Arrowhead pays 100% of the costs of the labor and material to refinish, repair, or replace defective siding. During the sixth and subsequent years after date of installation the Homeowner shall pay an additional 10% per year of the cost and Arrowhead shall pay the balance. The end of the applicable warranty period Arrowhead will pay 10% of the total costs. All claims are subject to an applicable service charge per incident. This section does not apply to entities capable of an infinite life.

The statements contained in this document set forth the only express warranties extended by ABC Seamless for the **Duck-Matte™ Color Collection** coated steel siding and accessories. No employee, franchisee, salesperson, or subcontractor is authorized to alter or modify, in any way, this Warranty. The provisions of this Warranty do not provide the property owner with authority to recover any incidental or consequential damages for breach of any express or implied warranty on the **Duck-Matte™ Color Collection** coated steel siding and accessories.

Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusions may not apply to you. This Warranty gives you specific legal rights, and you may also have other legal rights in addition to this Warranty, which vary from state to state.

This Limited Warranty has been validated, having been registered online by the ABC Seamless franchisee or its employee. Warranty coverage to the property owner expressed herein is active.
